* St. Thomas serves as a test site for the October and May SAT

** SAT Subject Tests are administered on all of the above test dates except March 10. SAT Subject Tests may be required for admission to some highly selective colleges and universities. Check with the admission office at each school to determine if you need to take these tests in addition to the SAT Reasoning Test.

St. Thomas counselors recommend that students take the SAT and/or ACT for the first time in the spring of the junior year. Additional testing as necessary is advised in the summer and fall of the senior year.
