Summer, 2010

To: The St. Thomas High School Community,

We are honored to be your food service provider. *Our goal is to provide students and faculty with quality meals* by offering popular, well balanced, hot entrées each day, as well as tasty side dishes, fruits, hamburgers, salads and cold sandwiches.

Each year we review our pricing, and make every effort to limit price increases, which for this year we were able to limit to 3%, on average.

Participants can use cash, or their Student ID's as a debit card, to purchase lunch. You can then view purchases and add debit account funds on-line at www.diningpay.com. Follow instructions on the website to set up access to your debit account. Our "PIN number" is the Student ID number.

Please note that due to the logistics of issuing Student ID cards, cash may be required for the first few days of school.

We ask that a *positive balance* be maintained in your debit card account. Adding funds to your Debit Account can be accomplished in these ways (please do not send cash):

1. By MasterCard or Visa (fee), at www.diningpay.com.
2. By check, utilizing the form below.

You will receive weekly *balance notification via email* if we have your email address on file. If you would like to change or add your email address, please send your request to ECI@ed-cat.com.

For those who used the debit card system during the past school year, note that your account balance, *positive or negative*, will carry forward to the 2010-11 school year.

Contact Customer Service anytime at ECI@ed-cat.com or 713-722-7773 ext 301. Contact the café manager at 713-864-6348 ext. 171 or STHSCafe@ed-cat.com. Visit our web page at www.ed-cat.com.
