

Walk-A-Thon 2005

Student Council has devised a system to fund activities for your sons, while saving you money in the process. Below is a list of planned activities along with the cost for participation in each event. Please look over the list and use it to evaluate what level of participation is best for you and your son. If your son is active in extra-curricular activities, our platinum membership may be ideal for you. Platinum members will enjoy all of the Student Council sponsored activities, in addition will receive a Homecoming Dance ticket worth \$30 as a special bonus incentive. Our goal is to double the value of your money as an incentive for paying upfront.
