

St. Thomas Style Show

When: April 27, 2018

Where: River Oaks Country Club

What is the Style Show?

The Style Show luncheon has been a longstanding STH tradition for 47 years. It's a time when the Senior boys are able to showcase their interests; be it leadership, sports, theatre, band, hobbies, etc. – you name it!! All Senior Moms are encouraged to take part in this fabulous event by modeling the newest Spring fashion styles chosen by our fashion coordinators! Biographies of each of the Senior boys are read aloud allowing us a glimpse into their STH lives. Get a tissue! You will definitely shed a tear and crack a smile when letters written by the boys to their moms are read aloud.....all while presenting their dear moms with a rose! It is a truly touching event that you will not want to miss!! To wrap things up, the almost graduated Seniors take the stage grinning from ear to ear, donning baseball caps from the university they will be attending.

Who is invited?

All parents and friends of St. Thomas. Freshman, Sophomore, Junior and Senior parents are all invited and encourage to attend.

Who participates in the fashion show?

Senior boys and our lovely Senior moms.

What will volunteers do?

We have something for everyone. Do you want something behind the scenes? We have something for you! You may want to help with decorations, preparation, set-up, etc. Want to help out the day of the event? We need your help selling Mystery bags, helping mom and boy models, helping with reservations, check-in, decorations and more! Sign up today!!
