

Re-Enrollment 2018-2019 School Year

Re-enrollment is for all freshmen through junior students who are rising to the next grade level for the 2018-2019 school year.

Re-enrollment is fully digital through the parent portal. You will receive an email on Friday, March 23rd with instructions on how to login and complete the process.

Re-enrollment fees of a \$500 tuition deposit and \$550 registration fee are included in the re-enrollment process and payable to Smart Tuition.

All re-enrollment forms and payment are due by April 1, 2018. All forms must be filled out, signed and full payment made for your son to be considered enrolled. Schedules for the next year are generated only for fully enrolled students.
