### *Dear STH Community,*

We are writing to inform you about the potential exposure of our community to Coronavirus (COVID-19). It has been confirmed that a parent of an STH track & field student-athlete has tested positive for COVID-19. The family has communicated to us that they are under quarantine at this time, and that our student has started experiencing some symptoms. However, the doctor has advised that the family remain under quarantine and proceed under the assumption that he will test positive. The family will notify us of any new updates, and we will provide any additional details as they become available.

During this time of uncertainty, I know that so many of you are concerned about your health, the well-being of those in your life, and our community, who are most vulnerable to the virus. Please know that our faculty and staff members are working tirelessly to ensure that our community can move forward in a positive way. I appreciate their efforts and your patience while we work together to strengthen our community while practicing our motto of goodness, discipline and knowledge.

We will remain in constant communication with local health officials and state education agencies as we work to ensure the best maintenance of our school. If we want to get our children back to school, it is important as a community that we act — through social distancing and other [preventive measures](#) as requested by authorities — and do our part to limit its effects.

If you or a member of your household has been exposed to COVID-19 or for any reason feel they should be tested, please do not hesitate to reach out to your healthcare provider. We ask that any positive results of any family member be conveyed to the [Dean of Students](#) office immediately. If any other decisions are made, we will plan to notify you as soon as possible.

Thank you for all you do to help keep our community safe and healthy.

Regards,

Fr. James Murphy, CSB  
President, St. Thomas High School

Dr. Aaron Dominguez  
Principal, St. Thomas High School
