Time Commitment

The student trainer is REQUIRED to be at all practices, and games during football season. Once football is finished, student trainers will be assigned two days to stay after school each week. They will also be assigned other sports throughout the year. They will be required to attend all games home and away for that sport. Permission must be given by the Athletic Trainer to miss an assignment. Freshmen will be given less time commitments in order to concentrate on their studies. Rides to and from school will need to be arranged for. This may require parents or guardians to pick up their student at different hours. Student athletic trainers are here for the athletes which means their hours are our hours. Also, there will be some Saturday contests and practices.

Grade Requirement

It is the responsibility of the student trainer to remain eligible by passing all classes while in the program. In the event of two classes failed in one quarter, the student trainer may not cover games until the next quarter begins as long as they are passing ALL classes.
