

## RETURNING TO CAMPUS – HYBRID LEARNING HEALTH AND SAFETY GUIDELINES – COVID-19

With on-campus hybrid learning beginning Monday, September 14 we ask parents and students to read through and discuss together the critical importance of following these campus protocols consistently to best ensure everyone's health and safety.

### QUICKSCREEN FOR COVID-19

- **All** students will be required to self-screen on all school days beginning Thursday, September 10<sup>th</sup>, for COVID-19 symptoms as a precautionary measure to reduce the spread of COVID-19 within the campus community. ***As we begin hybrid classes all students, whether joining remotely or in person, must do the screening in the morning before the school day begins.***
- The QuickScreen link for students is [here](#)
- For more QuickScreen details [Click here](#)

### PROTOCOLS ONCE ON CAMPUS

- **Masks** must be worn at all times from when a student exits his vehicle upon arrival to the time they enter their vehicles to leave campus, with the exceptions of eating, drinking or engaged in physical activities in athletics or P.E.
- We encourage students to carry **hand sanitizer**. There will also be hand sanitizing stations all around campus. Students need to regularly sanitize or wash their hands.
- We encourage students to not touch their face. This is one of the most effective means of not spreading or receiving germs.
- We also encourage students to be aware of and comply with **social distancing measures**
- For passing periods, all the campus hallways will be **one way**. Extra time has been built into the class schedules to accommodate this.
- Students should follow the arrows during passing periods and move through the hallways with social distancing measures. Upon arriving at the next class the students should line up at the classroom door and enter the classroom when prompted by their teacher [Click here to view one - way map](#).
- **Bathrooms** will be limited to a maximum occupancy of three people.
- Water fountains are turned off. Students need to bring their own **water bottle**.
- **Lockers** will not be used. Students will carry all of their belongings with them throughout the day.
- Students should bring their own supplies including **headset** with mic or blue tooth capabilities, and **laptops** fully charged
- If a student begins to feel **ill once on campus**, he should go immediately to the Dean's Office (if in a class tell teacher first) for evaluation. No student should stay in class while ill. If your son texts you, tell him to go to the Dean's Office first.
- For more information [Click here](#)

## CAFETERIA PROTOCOLS

- Breakfast and lunch will be offered. [Click here](#) for more details on changes from Sage Dining.
- **No cash** will be accepted. For purchases you must set up an account for your student. Students can use their ID to pay touchless at checkout. [Click here](#) on how to set up and replenish your son's spending account. Please keep track of his account balance. Sometime in the next few weeks the cafeteria will begin accepting credit cards.
- If a student forgets his lunch, he should go to the Dean of Student's Office for assistance.
- View cafeteria flow and procedures here:  [St. Thomas Dining Video.mp4](#)

## PARKING PROTOCOLS

- As on campus classes begin, students who drive to school will be able to park in the **parking garage**. There will be a grace period for purchase of **parking permits**.
- The business office will notify families when they can begin purchasing parking permits. For more information [Click here](#).
- Students should immediately enter/exit their car and leave the parking garage. No congregating – no exceptions.
- Only the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> floors will be open for student parking. Senior only parking levels are suspended indefinitely.

## MISCELLANEOUS PROTOCOLS

- Seniors – **no off campus lunch**. It is suspended indefinitely.
- Students may **not have visitors** at lunch. It is suspended indefinitely.
- Students who **forget something at home** – we ask that parents do not immediately bring up forgotten items – i.e. lunch, homework, tablet, clothes, etc. Please remind your son he needs to problem solve first by going to the Dean's Office for assistance. This reduces visitors to campus.
- Students may not have food delivered to campus by anyone
- **Before school**, students may be in socially-distanced seating in the cafeteria, courtyard, student center, Cemo, or LEC only.
- **After school** students needing to go to the LEC or meet with a teacher must obtain a pass from the LEC or teacher before the end of the school day. Passes must be presented upon arrival to destination.
- **After school** all other students not immediately exiting campus after school, socially –distanced seating will be provided in Cemo from 3:30-6:00 pm. This is the only area in which they are allowed until they exit campus. Students should be picked up at 6 pm.
