

WATCH PARTY 101

Bringing the excitement and camaraderie to your home, a Watch Party will look similar to a dinner party with friends, family or even a date night. Per our Underwriting Watch Parties, we can simplify dinner to be catered and/or delivered. The friends you share a table with at the STH auction will now be together in the comfort of your or your friend's host home. The conclusion of the evening will be the virtual "Watch Party" where there will be entertainment and a live auction hosted by a STH celebrity cast including many surprises.
