The St. Thomas High School Distinguished Service Award

One of St. Thomas High School's key pillars to success has always been and always will be service from its surrounding community members. Whether they are parents, staff members, or local business owners, anyone who gives their time and energy to St. Thomas High School only advances the Basilian Fathers' mission further.

In 1995, the Distinguished Service Award was established to recognize such service-driven men and women. Any person who distinguishes themselves by their commitment to St. Thomas High School and model a Christian lifestyle through Goodness, Discipline, and Knowledge can be a candidate for this prestigious honor. Nominations are solicited from members of all volunteer organizations and boards serving St. Thomas High School. A special committee of the Alumni Association will thoroughly review each nomination and choose the recipient.

If you know any person who is befitting to earn the Distinguished Service Award, please complete the nomination form.
