# ST. THOMAS MOTHERS' CLUB

August 16, 2023

## Welcome Back, Eagles!

Greetings from St. Thomas Mothers' Club!  
Today marks a week of the boys being back in school and while the steamy temps outside lie and say it's still summer, we are back in action

with hallways full of Eagles. The boys are wearing their hoodies and are working through their new schedules and subjects and they seem to be adjusting beautifully.

I am so excited for the great things that the boys get to experience this week. Our freshmen are headed off to Camp Aquinas at the end of the week ready to make new friends and learn about the St. Thomas Brotherhood. The sophomore class heads there later in the weekend to join the Freshmen and the Senior Leaders. Juniors will be learning about what it means to serve and the remaining seniors are working on college applications. It will be a great week for our boys as they are immersed in our St. Thomas community and learn about goodness, discipline and knowledge.

Now that the boys are getting plugged into campus, it is time for you to be on the lookout for places to SOAR as well. The uncommon sense of community is not just for the boys, it is for parents also. So, check out all of the upcoming events in this newsletter and see what fits your schedule. Maybe it is helping the Auction committee or coming to the tailgate before the football game in a couple of weeks, or signing up to bake cookies. Reminder to visit the Mothers' Club page on the school website for info at any time and to follow our Instagram page to learn more as well. I am looking forward to seeing each of you on campus.

Blessings to all,

**Paige Dominey**

## Eagle Angels

Eagle Angels is a Mothers' Club committee dedicated to supporting STH families in times of need. When life changes occur, such as death in the family or a life-threatening illness, support of all kinds is needed. Eagle Angels will work with current families, openly or confidentially, to help assist with immediate or short-term needs as possible. Please consider adding your name to the list of Eagle parents who are willing to step up when another STH family needs a hand.
