ST. THOMAS MOTHERS' CLUB

September 6, 2023

Exciting times!

We are a few weeks into school and hoping your sons have found their stride. It has definitely been a few busy weeks with home football games, orientation dances and the first half of the quarter over, time is flying by.

Has your son found some new activities to participate in this year? We have an exciting STH Club Fair coming up this Friday on the 8th when they can learn more about some of the great clubs they can be a part of. Encourage your son to go and find out about one of the clubs. There is a club for almost every interest out there and it's a great way to connect!

Looking over the next couple of weeks, there will be a lot more going on. Friday the 22nd is the Auction Wine & Spirits Pull Tailgate prior to the STH Football game vs. John Paul II. Are you going? It is a great opportunity to see friends and support the school at the same time. If you know any boys considering St. Thomas for high school let them know about the End Zone Rally going on during the game that night. It is a great place for them to see what the STH community is all about.

Looking forward to seeing you all at the Mothers' Club General Meeting on the 14th in the Fr. Reuss Community Room! EFND!

Mothers' Club President 2023-2024

WALK-A-THON

Eagle Angels is a Mothers' Club committee dedicated to supporting STH families in times of need. When life changes occur, such as death in the family or a life-threatening illness, support of all kinds is needed. Eagle Angels will work with current families, openly or confidentially, to help assist with immediate or short-term needs as possible. Please consider adding your name to the list of Eagle parents who are willing to step up when another STH family needs a hand.
